

## Mesa County Safety Council

### Minutes May 14, 2013

Meeting called to order by Jim Pringle at 10:40.

Members Present: Jim Pringle, Glenn Kiser, Roy Jones, Dick Pippenger, Diana Bailey

Jim Pringle conducted the meeting. Steve Sheehy has resigned his position and no President has been voted in at this time.

Jim Pringle needs someone from the group to submit the application for the 2014 MCSC combined federal campaign. This is usually done in late January or February each year, and cannot be a federal employee submitting the application. However, Jim said that

Jim Pringle's eligibility as a board member at-large position with the MCSC is currently being assessed by attorneys from the Department of Commerce Office of the General Counsel, Ethics Law and Programs Division. He should find out sometime this summer if he is allowed to be a MCSC board member without any fiduciary responsibilities.

New Captain for the CSP Fruita office was announced last week.
