December 2017

Dear Private School Instructors,

The [Mesa County Safety Council](#) is pleased to sponsor the 37th Annual Mesa County Safety Fair, which will be held at Mesa Mall in Grand Junction. The dates for the 2018 Safety Fair are:

Thursday, February 22, 9 A.M. to 3:00 P.M.
Friday, February 23, 9 A.M. to 3:00 P.M.

Admission to the Safety Fair is **Free**. Please allow at least two hours to visit all exhibits.

Please use the Safety Fair entrance which is located between JC Penney's and Cabelas.
New this year: Bags containing give-aways will be distributed to students as they exit the mall.

The safety fair is open to the public with useful safety messages for people of all ages, though it is targeted to reach grade school children to teach them how to protect themselves at home, school, and play.

Safety education will be provided by community organizations and businesses, including outdoor recreation companies, utility companies, fire departments, law enforcement agencies, health organizations, the construction industry, transportation safety groups, water and weather safety agencies, and many others.

If you would like to provide the best experience for your children, you should try to attend the safety fair when it is least busy. Based on past years' experiences, the hours of the safety fair with the least amount of public school traffic has been in the afternoons, especially on Friday.

The members of the Mesa County Safety Council hope you can join us for this educational and entertaining event. If you have any questions, please contact Jim Pringle at (970) 243-7007 x726 or email at james.pringle@noaa.gov

All of us with the Mesa County Safety Council hope your children have an opportunity to enjoy the 2018 Safety Fair!

Sincerely,

Jim Pringle
